

## Math Studies SL HARD DEADLINES

Scholars,

Here are the HARD deadlines that we will adhere to in order to make sure that your Math Studies SL IA is completed on time. In order to meet these deadlines you will be required to complete most of it at home. I will provide some class time if we have any extra time. This will depend on how well you all manage your time during class. Each portion of your IA will be a test grade. It is expected that you make revisions as soon as I (or someone on my grading team) provides feedback. The longer you procrastinate, the more stressed YOU will be.

***REMEMBER, THIS IA IS WORTH 20% OF YOUR FINAL EXAM GRADE FOR MY CLASS!!!***
